

MEMBERSHIP APPLICATION FORM

The **Benelux Railways Society** was originally formed in 1992 as the "Netherlands Railway Society", following publication of the layout **Engelsdrecht**, [based on NS practice], as "Railway of the Month" in the Continental Modeller. Later the name was changed to **Benelux Railways Society** to more accurately reflect its member's interests. It is non profit making Society, and aims to "Promote the study of, and interest in the Railways and Tramways of:- The Netherlands, Belgium, and Luxembourg for : past, present and future, including prototypes and models."

We are a small friendly Society, with members willing to share their knowledge with other members. The Societies magazine **NIEUWSBRIEF** is published quarterly, and contains news and articles on : motive power, rolling stock, infrastructure, development plans, book & video reviews, model news with the latest releases, travel articles, Benelux Models, shops, and photographs of the Benelux railway and tramway systems. In addition we exhibit at several of the Model Railway Exhibitions in the UK.

The current annual subscription is **£ 12**, or **£ 24** for two years [or **\$ 20 / € 20** non UK members], and is payable to the **Benelux Railways Society**, and runs from January 1st. There is no separate enrolment fee or part year subscription. New members will receive issues of **NIEUWSBRIEF** beginning with that issue for March of the current year. For members joining after September, their subscription will be applicable to the end of the following year.
